Hematology and Medical Oncology
South Bend, Indiana

Beacon Medical Group, Memorial Hospital South Bend in Indiana, is seeking a dynamic high-caliber BC/BE Hematologist-Medical Oncologist for the Beacon Cancer Program location in South Bend. The candidate will join our BC Hematologist/Oncologists in an established medical oncology program. Qualified candidates must be excellent clinicians, have a very strong interest in providing superb care for patients and assist with the development and growth of the program. We have full services including infusion and radiation therapies.

Beacon has a strong affiliation with the Mayo Clinic Care Network. The Beacon Cancer program has fifty active clinical trials as a member of Alliance through its Mayo affiliation and is accredited by the CoC. An outstanding Radiation Oncology service complements a strong Medical Oncology service (nurse navigators, genetics counselor, social work and dietician). The program is supported by superb medical (gastroenterology, infectious disease, pulmonology) and surgical (breast, colorectal surgery, general surgery, head and neck, neurosurgery, thoracic surgery, urology, orthopedic oncology) subspecialties, apheresis, diagnostic pathology and diagnostic and interventional radiology. The cancer program has cancer specific tumor boards to include a molecular tumor board. Strong relationships with basic scientists at Notre Dame include tissue banking. The cancer program also includes two gynecologic oncologists, a MOHS surgeon and three pediatric hematologists-oncologists. The workflow is seamless with Cerner EMR on the inpatient service as well as outpatient.

Affiliation with Indiana University School of Medicine @ Notre Dame and Memorial Hospital Family Medicine Residency allows for teaching of residents, medical students and supervision of post-graduate trainees.
