NO Nights or Weekends!  
Elkhart, Indiana**

Beacon Medical Group Pulmonology RiverPointe, a division of Beacon Health System, is seeking to add a BC/BE Pulmonary physician to our team providing outpatient services. The outpatient practice is connected to the hospital. NO after business hour on-call responsibility, which means no inpatient or outpatient call plus no nights or weekends!! The right candidate may choose to do inpatient procedures, i.e. bronchs, EBUS, navigation, and other Pulm procedures, etc. Our existing Intensivist will pick up all afterhours and weekend call (out-patient and in-patient calls).

The ambulatory pulmonary office sees a variety of cases including pulmonary hypertension, interstitial pulmonary fibrosis and tuberculosis with a good amount of high complexity cases. The community has a Hispanic population as well as an Amish community. You will be busy from the start as there is a shortage of pulmonologists in the area with a backlog of patients that need to be seen.

Elkhart General Hospital has a 24 bed ICU providing a multi-disciplinary team approach to care including the intensivists, a nurse practitioner, nurses, pharmacy, case management and others. The unit enjoys high quality scores in clinical outcomes and customer service.

Affiliation with Indiana University School of Medicine @ Notre Dame and Memorial Hospital Family Medicine Residency allows for teaching of residents, medical students and supervision of post-graduate trainees.
