

Three Rivers Health

General Surgery

Three Rivers Health – Beacon Health System has just started a search for a BC/BE General Surgeon to work and share call with one other physician. Are you a General Surgeon who enjoys working in a rural community, has good communication skills and is a team player? We could be your ideal practice! Our excellent staff is easy to work with and very accommodating. Interested in direct locums with the hospital (*not through locums firm*)? *Please call us.*

We are a 60 bed, rural hospital located 25 miles south of Kalamazoo/Portage, Michigan and close to the Indiana border. We have 24/7 ER, Internal Medicine, Radiology, Lab, Pharmacy, Family Medicine, Orthopedics, General Surgery, Podiatry, Wound Care Clinic, Sleep Clinic, Inpatient/Outpatient Rehab, Pediatrics, ObGYN and Midwives, and Hospitalists. Our Specialty Clinic, located on the hospital campus, houses Cardiology, Dermatology and Oncology.

We have 2 fully staffed ORs with Surgery blocked OR schedule, 1 procedure room and 24/7 Anesthesia. The General Surgery Clinic is located right on the hospital campus and is fully staffed. Join a well-established well-respected General Surgeon with a focus on preventative medicine, Laparoscopic procedures such as appendectomy, cholecystectomy, hemicolectomy and diagnostics. Hernia repair (*open and laparoscopic*). Bowel resection. Port implant placement and removal. Breast surgery. Minor skin procedures and Endoscopy.

Compensation is commensurate with experience and open to negotiation. We also offer full benefits for you and your family, CME and CME time off, relocation, vacation, malpractice, etc.

The City of Three Rivers, named for St. Joseph River, Rocky River and Portage River, services St. Joseph County and the surrounding area. We have much to offer including over 7 lakes, 4 golf courses either in area or short driving distance, private and public schools, churches of all denominations, hiking, downhill and cross country skiing. Western Michigan University in Kalamazoo is only 25 miles away with Kalamazoo College and Community Colleges nearby. University of Notre Dame is about 45 minute drive from the hospital. Bed and Breakfasts are located in our quaint historic house downtown along with restaurants, coffee shops, book stores, a theatre, bowling alley and skating rink all here plus our Farmers Market! Enjoy festivals and events including our summer car show and the St. Joseph County Fair happens each September. Business flourish here with Armstrong International, American Axle, Peterson Spring, Banks, Schools and the hospital to name a few. If you are looking for a work place to “call home”, this is it come join us.
