

General Cardiologist
South Bend, Indiana

Beacon Advanced Cardiovascular Specialists is seeking a BC/BE Cardiologist to join our premier practice. Our group mission is to advance the physical, mental and emotional well-being of the communities we serve. Beacon is committed to clinical excellence, compassionate care, and the ongoing improvement of the quality of life for our patients and practitioners. The right candidate will have an interest in both inpatient and an outpatient setting with an interest in clinical cardiology and imaging. Additional training in imaging including cardiac CTA, MRI, heart failure, advanced ECHO and structural heart imaging will be a plus but not required. Our position provides a great opportunity to dedicate your expertise and to expand the program that is growing beyond the capacity of our existing physicians. Our practice has a mix of senior and junior physicians. Benefit from immediate patient volume from a large multi-specialty and primary care referral network as well as retiring physicians. The practice offers a full range of cardiology services including a structural heart program, advanced electrophysiology, Impella assisted PCI and shock treatment, coronary CTA with FFR, cardiac MRI, heart failure clinic, CardioMEMS, , Cardio-thoracic and vascular surgery. Opportunities for outreach clinic development, Family Medicine residence teaching, faculty appointment at IU Medical School at Notre Dame, clinical research participation, committee participation, and directorship and leadership positions. Cardiovascular program has been ranked in the TOP 50 programs in the country twice in the last 10 years. Complete renovation and expansion of the office space to accommodate additional physicians finishing in 2023. Only 1 hospital to cover with office attached to the hospital via a skyway. Inpatient team covers all new consults and follow-ups so you can leave on time on days when you are not on the hospital rotation. You can tailor your practice to your training and interests. Join a large group of well-known and respected Cardiologists that includes Interventional, Electrophysiologists and Non-Invasive Cardiologists. Nurse Practitioners assist in the outpatient and inpatients settings.
