Otolaryngologist Job Summary

Beacon's ENT and Audiology program boasts exceptional technological advances which provides the ideal setting for ENT treatment. Our physicians specialize in treating both adults and children with a wide range of ENT conditions in a comprehensive otolaryngology practice.

Work Schedule:

- On average 4.5 days a week
- You will have autonomy in your schedule, the day to day is determined by the provider
- Office & ER call is 1:4
- Opportunity to have your OR days in the hospital and ASC

Leadership Role Opportunities:

- Affiliation with Indiana University School of Medicine at Notre Dame and Memorial Hospital Family Medicine Residency allows for the option of teaching of residents, medical students and supervision of post-graduate trainees.
- The program has a strong working relationship with regional academic centers and collaborates with these centers frequently when caring for patients. We provide an opportunity to participate in limited medical student/resident education and clinical research.

Professional Growth Opportunities: Yes. Beacon works in collaboration with their physicians and has multiple opportunities for physicians to get involved in councils and programs to be a part of the decision-making within Beacon.

About the Practice

You will join a dedicated, collegial, and easy-going team comprised of two BC/BE Otolaryngologists, three full-time on-site Audiologists, and an APC.

The practice is the largest multi-specialty group in the region. The office is newly renovated. It has multiple procedure rooms, an allergy immunotherapy practice, and multiple microscopes and scope towers. You will also benefit from eight fully remodeled hospital operating rooms equipped with 24/7 hospitalists. Beacon's ENT and Audiology program will allow you to keep your independence and autonomy, while staying hospital employed.

Why Join Beacon Medical Group?

At the heart of northern Indiana and southwestern Michigan, **Beacon Medical Group**—a division of **Beacon Health System**—stands as the region's largest and most integrated network of healthcare professionals. With over **35 specialties, 10,800 associates, 1,260+ physicians**, and a team of highly skilled physicians and advanced practice clinicians, Beacon is redefining what it means to deliver exceptional, community-focused care.
