## Birthday Party Reservation Contract

### General Guidelines

- When inviting children/adults, be mindful that capacities of party rooms are limited. The largest party room holds a maximum of 32 individuals.
- Arrive no earlier than 15 minutes prior to your scheduled party time. We encourage all guests of your party to arrive at the same time.
- A birthday party attendant will notify you when it is time to switch activities and locations.
- The total reservation time includes setup, cleanup, transition time between activities, and change time. Party rooms are only available for your use during the allotted time included in the package and are not reserved for the entire duration of the party reservation.
- Parties do not have exclusive use of pool. All parties in the pool require adult supervision. Children 12 and younger **MUST** be accompanied by an adult. Swimmers between 13-17 must be accompanied by an adult in the pool area. The ratio for these requirements is 5-children-to-1-adult.
- Any flotation devices must be United States Coast Guard approved.
- Prohibited: alcoholic beverages, nails, staples, screws, cellophane, adhesives, confetti, bubbles, rice, silly string, glitter, smoke machines, open-flamed devices.
- Permitted: balloons, table decorations, party hats, and trinkets.
- Renter is responsible for returning private rental room to original set-up and cleaning area by: discarding trash, wiping tables down and sweeping floor.
- A cart will be available to assist with transporting your items in & out of the building.
- All guests are required to follow any and all Elkhart Health & Aquatics Rules and/or other lawful direction given by Elkhart Health & Aquatics staff.
