Memorial Hospital Primary Care
Obstetrical Fellowship

Eligibility and Application

The Memorial Family Medicine Residency Program Obstetrical Fellowship is a one year training program which begins in July of each year. Applicants must have completed a residency in family medicine, or be on schedule to do so by the fellowship start date. Applicants must obtain medical licensure in Indiana, an Indiana Controlled Substance Registration Certificate, and a federal DEA certificate prior to beginning the fellowship.

Completed applications must include all of the following:

- Curriculum Vitae
- Documentation of obstetrical procedures performed during residency
- 2-3 letters of recommendation from supervisors of obstetrical training (a minimum of one letter from core faculty of applicant’s Family Medicine Residency program)
- ABFM Board Examination scores, USMLE Step 3 scores, Comlex or ABFP In- training Examination scores from the second year of residency if still in training
- Application form

The selection committee will only review completed applications. Interviews will be offered to selected applicants.
