C. INFORMATIONAL:

1. Approve revision to Section I.1.g. Verbal Orders of the Medical Staff Rules & Regulations to allow Dietitians to write orders.

- g. **VERBAL ORDERS:**

“The Manager of Admitting and/or his or her designated representative may accept and transcribe Verbal Orders for diagnostic tests only. A Dietitian may accept and transcribe Verbal Orders for diet orders/changes only within their scope of practice. Nursing extender staff may accept orders for Diet, Discharge, diagnostic tests, and non-invasive therapeutic procedures. (They may not accept orders for invasive therapeutic procedures or medications.) Nursing extender staff includes Unit Clerks, Patient Care Clerks, Care Extenders, and Critical Care Techs. Social Workers may accept verbal orders as it pertains to discharge planning. All Verbal Orders shall document the name of the Practitioner or other qualified person giving the order and the person recording the order, and shall be dated, timed, and signed by the authorized person to whom the order was dictated.”

2. Approve revised delineation of privilege forms for Robotic Assisted Surgery, Pediatric Critical Care, Pediatric Gastroenterology, Pediatric Hematology-Oncology, Pediatric Infectious Disease, Neonatal-Perinatal Medicine and Nurse Practitioner First Assistant at Surgery.
3. Reminder that Medical Staff Officer elections will be held this year.
4. Reminder that Departmental Officer elections must be held prior to November.
