Resident Bios 2021-2022**

Chelsea Suppinger, Pharm.D.

Chelsea is from New Carlisle, Indiana and earned her Bachelor's degree in Pharmaceutical Sciences and Doctorate of Pharmacy from the University of Mississippi (Ole Miss). Her clinical practice interests include ambulatory care and internal medicine. Chelsea plans to pursue a career in clinical pharmacy at a community hospital. In her free time, she enjoys playing sand volleyball, boating/water skiing at Shavehead Lake, exploring local restaurants, and reading.

Allie Vogeler, Pharm.D.

Allie grew up in Rolling Prairie, IN and earned her Doctorate of Pharmacy from Butler University in Indianapolis in 2021. Her clinical interests are focused on internal medicine and infectious disease. While she hasn't narrowed her career path following her PGY1 year at Memorial Hospital, she hopes to make a difference in patient outcomes and advance the profession of pharmacy. Outside of pharmacy, Allie enjoys running, playing sports, and being outdoors with her dog.
