Workplace desktop/laptop log in with single sign on

When you go to **https://BeaconHealthSystem.facebook.com** to access Workplace on your web browser, you'll see a screen with a message asking you to sign in with your *Beacon Health System* account.

Follow the prompts and fill in the fields using your Beacon email address or Beacon system user ID plus your Beacon password.

You may also see the screen below after you've logged out of your Workplace account.

Click on "Log in With SSO." You'll then return to prompts to fill in the fields using your Beacon email address or Beacon system user ID plus your Beacon password.

Once you're on the Workplace platform, review Beacon's Terms of Service before continuing.
