

Workplace desktop/laptop log in with single sign on

When you go to <https://BeaconHealthSystem.facebook.com> or <https://BeaconHealthSystem.Workplace.com> (starting September 2019) to access Workplace on your web browser, you'll see a screen with a message asking you to sign in with your *Beacon Health System* account.

Follow the prompts and fill in the fields using your Beacon system username plus your Beacon password. Use the same username and password you use to log into Active Staffer, PeopleSoft or other Beacon network accounts.

You may also see the screen below after you've logged out of your Workplace account.

Click on "Log in With SSO." You'll then return to prompts to fill in the fields using your Beacon email address or Beacon system user ID plus your Beacon password.

The image shows a login screen for Workplace by Facebook. At the top, the logo "Workplace by facebook" is displayed. Below it, the text "Beacon is on Workplace" is centered. A prompt says "Join or log in using a valid **Beacon** email address." Below this is a text input field containing "@beaconhealthsystem.org". A blue "Continue" button is positioned below the input field. A horizontal line with the word "OR" in the center separates this from the "Log in With SSO" button, which is light gray and includes a small information icon (i) on the right. At the bottom, there are three circular icons: a Workplace logo for "Messaging", a group of people for "Groups", and a video camera for "Calling". Below these icons, the text "Build a connected culture with familiar tools to help everyone turn ideas into action." is centered.
