**RE: Hospital Affiliation Letters for Medical/Allied Health
Professional Staff**

In response to your request to verify affiliation for the provider applying at your facility, we are pleased to announce that our facility now provides verification of practitioner affiliation online. Because of the number of responses we receive, we are unable to complete specific hospital request forms.

Please follow the link provided:

If you do not see the practitioner listed for whom you are seeking information, please contact the Medical Staff Office by faxing a release to 574-647-3942 or emailing a release to phall@beaconhealthsystem.org.

Thank you,

The Medical Staff Office of Memorial Hospital South Bend
